Behavioral Health Resources

Your Highmark coverage includes affordable in-person and virtual behavioral health resources, so it's easy to get the care you need.

To find care, you can:

- Use the Find a Doctor search tool on your member website at **MyHighmark.com**
- Download the Highmark app from your app store.
- Call the Member Service team at the number on the back of your Highmark member ID card.

There are several options when it comes to getting the care you need.

- Find a trusted primary care provider (PCP). Your PCP can offer behavioral health support or refer you to a specialist.
- Call Member Service at the number on the back of your ID card and ask to speak with a Highmark behavioral health specialist or schedule a visit with an in-network mental health provider.
- Schedule care through Highmark's Mental Well-Being program powered by Spring Health, available through your member website. Care is available for ages 6 and up.
- Talk to a specially trained Blues On CallSM registered nurse, any time, by calling **888-BLUE-428** (1-888-258-3428).
- Talk to a Highmark wellness coach to get help managing stress or improving your sleep by calling **800-650-8442**, Monday – Friday.
