Want to Get Your In-Network Deductible Waived or Reduced? There are Two Required Activities to Complete the 2023 Wellness Rewards Program

Activity 1: Complete the Sharecare RealAge Test

If you already registered for Sharecare as part of last year's wellness program, you don't need to re-register, but you will need to re-take the RealAge Test at mycare.sharecare.com to earn credit. If you haven't registered for Sharecare yet, visit mycare.sharecare.com to set up your account (have your Highmark member ID ready) and take the RealAge Test. More detailed instructions are on the reverse side.

Activity 2: Complete a Preventive Exam

Earn credit by completing your regular preventive exam. The exam must include blood pressure, height/weight and lipid panel or routine cholesterol or fasting blood glucose.

You and your covered spouse (if applicable) must voluntarily complete the wellness requirements by September 30, 2023.

By completing the requirements by September 30, 2023, your in-network deductible will be waived or reduced.

How to create your Sharecare account if you have not already registered (have your Highmark member ID ready!):

- 1 Visit **mycare.sharecare.com** on your computer or mobile device.
- 2 Click on **Create an Account** near the bottom of the page.
- 3 Enter the required information, including the numeric portion of your Highmark member ID card.
- 4 Agree to the terms of use and authorization.
- 5 Click on **Create an Account**.

Important tips:

Whether using a computer or mobile device, you must visit **mycare.sharecare.com** to register for the first time. You cannot register for the first time on the Sharecare app. You and your spouse must register with separate e-mail addresses and passwords.

Note: If you do not have computer access, you can request a paper version of the RealAge Test by calling Sharecare no later than August 15, 2023 at 1-800-858-9063. Be sure you are registered by Sharecare at the time of your request to earn credit when your paper RealAge Test is returned. A signature is REQUIRED for processing and must be received by Sharecare prior to September 30, 2023 (not postmarked by).

Complete each of these requirements by September 30, 2023 to complete the 2023 program:

- 1 **Complete the Sharecare RealAge Test**
This 15 minute assessment helps you understand your RealAge compared to your calendar age and find out what you can do to improve your health.
If you already registered and took the RealAge Test as part of last year's wellness rewards program:
Log into your Sharecare account at **mycare.sharecare.com** and click the **Achieve** icon, then **Rewards**. Click the RealAge Test from the list of activities to retake the test. Please note, you **MUST RETAKE** the RealAge Test via these steps to earn credit for the 2023 program. Make sure to answer all of the questions. *Please note: You and your spouse must complete the RealAge Test separately at **mycare.sharecare.com**. If you and your spouse are taking the RealAge Test on the same device one after the other, please leave the site and re-enter **mycare.sharecare.com** for the second RealAge test. You and your spouse must use separate e-mail addresses and passwords.*
