

Order your contacts from anywhere

Davisvisioncontacts.com allows you to order your contacts online in minutes.

Ordering is easier than ever

Visit davisvisioncontacts.com to place an order using a valid prescription from your eye care professional.

Provide a method of payment and a shipping address to have your contacts delivered directly to you.*

Log into the member portal at davisvision.com/member to access a reimbursement form for your out-of-network plan benefits.

Out-of-network? Not a problem

Contact lenses can be ordered online with a valid prescription from your eye care professional, making it a convenient out-of-network service. Members should submit the proper reimbursement form as davisvisioncontacts.com does not accept insurance.

*Davisvisioncontacts.com accepts all major credit cards. Orders may also be placed by calling 1 (855) 589-7911.

My contacts arrived, but something is wrong. What can I do?

If you are not satisfied with the product you receive, please call 1 (855) 589-7911. Our products are fully guaranteed against manufacturer defects.
